Upcoming  
Holidays*

## What are Notel's ?

The hardest part of having a website that you don't manage is when you want to make changes to it the changes are not immediate. Getting a hold of your webmaster can take time. Simple updates or announcements can sometimes take days to publish.

Making simple additions yourself is a much more convenient and now an easy and affordable solution. Visit **www.NoteItOn.com** to see how you can Notel yourself for as little as \$2 a month! Sign up today for your free account and receive your very first Notel on us!

- **Eye catching designs**
- **Place them anywhere**
- **Floating or Static locations**
- **Low cost**
- **Easy to manage**
- **Link to anything**
- **Time saving**
- **Unlimited Notel's**
- **Real Time Changes**

All that functionality for as low as two dollars a month!  
We can't think of a reason not to NotelOn.

**When you want something done, you have to do it yourself!  
Notel's are the web tool that allows you to accomplish this!**
